Every work of art is an uncommitted crime

Theodor Adorno

The aim of art is to represent not the outward appearance of things, but their inward significance.

Aristotle

Sometimes I wake up and ask myself: what's happened? I'm scared...

I take a look around.

Nothing.

There is no reason to be scared. I'm in my bed, in my home.

I know it was only a hard day's night.

So, I take the mouse and stretch a toroid structure up to fragment it.

Happiness is a warm toroid.

3th nurbs breakdown

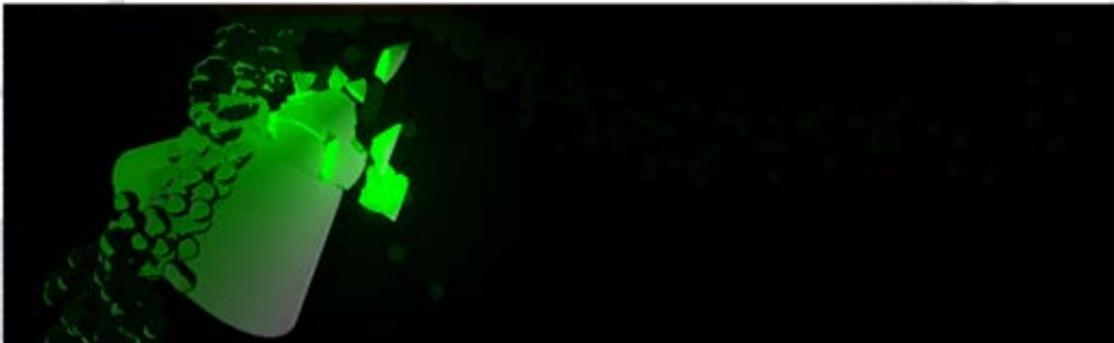

You were still in school
When you had that fool
Who really messed your mind.
And after that you turned your back
On treating people kind.
On our first trip
I tried so hard to rearrange your mind.
But after while I realized you were disarranging mine.
You better stop, look around
Here it comes, here it comes, here it comes, here it
comes
Here comes your nine-teenth nervous breakdown.

a shattered wave of pale

We skipped the light fandango
turned cartwheels 'cross the floor
I was feeling kinda seasick
but the crowd called out for more
The room was humming harder
as the ceiling flew away

When we called out for another drink
the waiter brought a tray

And so it was that later
as the miller told his tale
that her face, at first just ghostly,
turned a whiter shade of pale

happiness is a warm toroid

Happiness is a warm gun, mamma
When I hold you in my arms
And I feel my finger on your trigger
I know nobody can do me no harm
Because happiness is a warm gun, mamma
Happiness is a warm gun
-Yes it is.
Happiness is a warm, yes it is...
Gun!
Well don't ya know that happiness is a warm
gun, mamma?

under my hat

I've got you under my skin
I've got you deep in the heart of me
So deep in my heart,
that you're really a part of me
I've got you under my skin
